

December Racing

December was a busy month for racing with the Charity Races held on Sunday 19th and the Freestone Feedlot/Maydan Livestock Transport Boxing Day Races postponed to Tuesday 28th. Thank you to our wonderful sponsors who supported both days.

From our Charity Races \$4,200 was donated by 14 sponsors giving \$300 each. The race was run on Race 4 with Canny Cat taking the cake, owned by G & A Garland. Trained by Rex Lipp & Nicholas Hahn.

Jack & Wendy Brown luckily drew Canny Cat and their chosen charity was Epilepsy Queensland for their beautiful granddaughters Harper & Willow.

Upcoming Race Meetings (next 3 scheduled)

- Saturday 15 January 2022 – Warwick Cowboys RLFC TAB Races
- Thursday 3 February 2022 – TAB Races
- Saturday 23 March 2022 – St Mary's School Warwick Non-TAB Races

Key Achievements/Improvements 2021/2022

- Thank you to the Rhea family of Warwick Sandstone for their very generous donation of sandstone blocks to turn the front of the Trackside Pavilion into another great space. The Club are still working on finishing off the new terrace, ambient lighting for that summer night out under the stars.
- Surveillance cameras will be installed to keep watch over our new machinery due to arrive in the coming months. Thanks to Southern Downs Regional Council 2021/22 Community Grant for granting us the \$5,000 towards the project.
- As we are an evolving Tier 2 TAB Race Club the current committee have chosen to renovate the race track by enlisting the help of Racing QLD, Osborn Consulting and our next-door neighbours the Fontana family. We are looking to the future and will be in line to be one of the top two country tracks in Queensland.

Vale Steve Clarke

The racing community is at a loss with the passing of Steve Clarke. The Warwick Turf Club pass on our condolences to Les, Denis, Sharee, Rachael and Families.

Steve our neighbour, you battled for a long time and we will miss seeing you on track at Allman Park Racecourse.

*We will raise our glasses to you and the fight you put up for your girls.
May you RIP x*
